

Recommended items to bring to Skirfare Barn

Skirfare Barn is Yorkshire's premier group accommodation location, and is specifically tailored to maximise your group size in an exclusively private location for the best value available.

In order to maintain low booking fees, your hire terms are based on a self-catering basis and require that you leave the barn in the same condition in which you find it. Below we give a simple suggested list of items to consider bringing with you in addition to the obvious sleeping bag, towels and food & drink.

- 1) Condiments - sauces, butter, cooking oils etc
- 2) Additional tea-towels (we provide 2 on site)
- 3) Cleaning cloths (we provide washing-up sponges and brushes)
- 4) Washing-up liquid & surface cleaners
- 5) Bin-bags for all waste
- 6) Toilet rolls especially if staying for longer periods (we provide 2 per stall)
- 7) BBQ cleaning materials

In addition you may wish to consider toys for children and DVD's to watch, though a small selection of both are provided onsite.
